

Our East Kildonan Garden Club will be celebrating 60 years in 2027. We are offering a special t-shirt to the children who were part of the Junior Gardeners Club. There is no obligation for the kids to buy a t-shirt. We are offering it at a reduced price of \$5.00. A small EKGC logo will be embroidered on the shirt.

The colour is: Lime (100 % cotton)

Sizes XS (2-4), S (6-8), M (8-12), L (14-16), (XL 18-20)

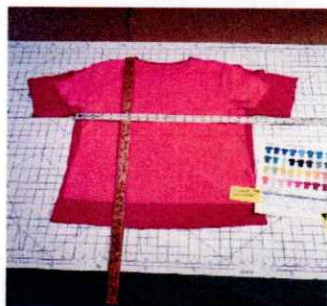

For your reference, this is the chart from the supplier Premier.ca

Garment Measurements

Size	XS	S	M	L	XL
Chest - Half Measure	14"	16"	17"	18"	19"
Chest - Full Measure	28"	32"	34"	36"	38"
Body Length from HPS	19"	21"	23"	25"	27"
Sleeves Length - CB	11 3/4"	13 3/4"	14 3/4"	15 3/4"	16 3/4"

Jan W. advice: Take a t-shirt and lay it out on a table.

A. Body Length: Length is the front from high shoulder point (HSP) (or where shoulder seam meets the sleeve) to the bottom hem.

B. Chest: You can measure across the flat t-shirt (half measure) or you can measure around your chest if you have a flexible tape measure (full measure)

C. Compare your t-shirt measurements and pick a size according to the measurements on the chart. It's hard to anticipate what size of t-shirt they will be wearing next spring/summer. If in doubt go with the larger size.
